About Paddy...

Paddy has been a well respected and highly sought after USEF "R" Judge for over 25 years. She has judged at all the main venues across the country, including the Penn National in Harrisburg and Devon. She has an extensive background in teaching and coaching all level of riders and particularly loves her "pony kids". Paddy brings a fun and relaxing atmosphere to her coaching and this leads to a stress free learning environment. We are very excited to have Paddy coming this spring and looking forward to her lessons and advise!
